## SUMMARY OF 12 NOVEMBER 2004 TELEPHONIC INTERVIEW

Dear Sir:

The undersigned attorney and Examiner Trinh conducted a telephone interview on the above date to discuss minor examiner's amendments needed to correct informalities in claims 16 and 32. In a prior response, the applicant incorporated claim 14 into claim 13, and cancelled claim 14. However, as noticed by Examiner Trinh, the applicant should have amended claim 16 to change its dependency from 14 to 13. Similarly, the applicant failed to amend claim 32 to change its dependency from claim 31 to claim 30, since claim 31 had been canceled and its subject matter incorporated into claim 30 in the applicant's most recent response.

Since the case otherwise was in condition for allowance, Examiner Trinh offered to make the needed dependency corrections by examiner's amendment and the applicant agreed to those changes. Thus, claim 16 was amended to depend from claim 13 instead of claim 14, and

claim 32 was amended to depend from claim 30 instead of claim 31. Applicant appreciates Examiner Trinh's diligence in catching these claim informalities before issuance.

Respectfully submitted,

**COATS & BENNETT, P.L.L.C.**
